

Answer yes or no to each of the following questions. Don't worry about what the symptoms mean: just note whether you experience them. If you have more than one-fourth to one-third yes responses in any diagnostic category, then you have an element of this imbalance in your system. You may have more than one kind of imbalance operating at the same time, so don't be surprised if you have 50% yes answers for more than one diagnostic category. Note the abbreviation(s) for your category or categories. Then find pertinent treatment principles marked throughout the rest of the book.

DIAGNOSIS	Yes	No
KIDNEY YIN DEFICIENCY (Ki Yi-)		
Do you have lower back weakness, soreness, or pain, or knee problems?		
Do you have ringing in your ears or dizziness?
